OF CONVENIENCE AND NECESSITY IN
LAKESIDE, NAVAJO COUNTY, ARIZONA

DOCKET NO. W-01445A-04-0013

REQUEST FOR ADDITIONAL TIME TO
COMPLY WITH FILING REQUIREMENT

On July 9, 2004 the Commission entered Decision No. 67107 in the above-captioned docket. Decision No. 67107 approved the Company's application for an extension of its certificate of convenience and necessity for its Lakeside system. It also ordered the Company to comply with certain Staff recommendations within 365 days of the effective date of said Decision, namely:

- (a) that the Applicant charge its existing rates and charges for its Pinetop-Lakeside system in the proposed extension area;
- (b) that the Applicant file, within 365 days of the effective date of this Decision, with the Commission's Utilities Division Director ("Director"), a copy of an executed main extension agreement associated with the proposed expansion area;
- (c) that the Applicant file, within 365 days of the effective date of this Decision, with the Director, a copy of the Certificate of Approval to Construct issued by the Arizona Department of Environmental Quality for the construction of mains in the extension area; and

1 (d) that the Applicant file, within 365 days of the effective date of this Decision,
2 with the Director, a copy of the right-of-way permit issued by the Town of
3 Pinetop-Lakeside authorizing AWC to provide water service to the requested
4 extension area.

5 PK Development and Gentuc LLC, developers of the projects to be served in the
6 expansion areas approved in this matter have informed the Company that, due to unexpected
7 delays in planning and financing for its development, they will not be ready to proceed with
8 development until early 2006. For this reason, the Company requests that it be given an
9 additional 365 days, until July 9, 2006 to file a copy of the executed main extension agreement,
10 certificate of approval to construct and right of way permit. This request should not prejudice any
11 other party, as the Company was the only applicant for a certificate of convenience and necessity
12 for the expansion area.

13 RESPECTFULLY SUBMITTED this 29th day of April, 2005.
